## Quickbooks Training

Need help with QuickBooks®? Not sure which version to purchase for your business? Let me show you the way. I am a QuickBooks® Pro Advisor, and have trained clients since 1992 when it was a DOS program. Most of my new engagements occur when I am brought in to clean up a client's QuickBooks® file that has been improperly set up. Having problems with yours? I will come to your office for a free 1 hour consultation. Feel free to contact me if you need further information.

## Quickbooks Training - First Hour Free

Not sure about Quickbooks? I will come to your office, and give you a demonstration free of charge! In addition, if you are a member of BNI, Rockland Business Association, or the Orange County Chamber of Commerce, I will give the first hour of training free.
